Trip to farm
EXPLORE THE ROOTS

Trip to farm is a platform that helps people find and book farmstays, eco camps, homestays, and rural tourism experiences in Northeast India.

Travelers can enjoy peaceful stays, fresh food, and unique activities like farming, hiking, and exploring local culture. If you own a farm stay, homestay, eco camps, or any rural tourism business, you can also join us. we can help you reach more travellers and promote sustainable tourism.

We are here to bridge the gap between you and the heart of agriculture, bringing you closer to the untouched beauty of villages, farm life, and authentic traditions. Whether it's waking up to the melodies of nature, experiencing farm-to-table living, or just slowing down to embrace rural serenity, every journey with us is a step towards something meaningful. With Trip to Farm, travel is effortless, immersive, and deeply rewarding. No

stress—just authentic experiences and meaningful connections with nature and local communities.
