

# Claiming your space

Slides for Accessibility & Inclusion, The Outlook 2025

**Julie Grundy**

Head of Accessibility Assessment

# Accessibility Assessment?

I help people make sure they've reached whatever accessibility standard they're trying to meet

# Who gets the best results?

Clients who include designers  
early in the process

“

There are three great design themes:  
making something beautiful, making  
something easier, and making something  
possible.
