Bonjour Aurelie,

On ne se connait pas, je suis un nouveau venu chez OVH mais je tenais à t'adresser un petit mot pour te remercier pour tes videos sur k8s, au plaisir d'en discuter quand on se croisera à la pause café quand tu seras à Tls. 🙂

Internally and externally

Easier said than done

⚠ Be careful :

- ⚠ Not easy to concentrate & stay focused on one task (at a time)
- ⚠ Pay attention to fatigue
- ⚠ Balance & organization personal / pro / community life

Easier said than done

Imposter syndrome

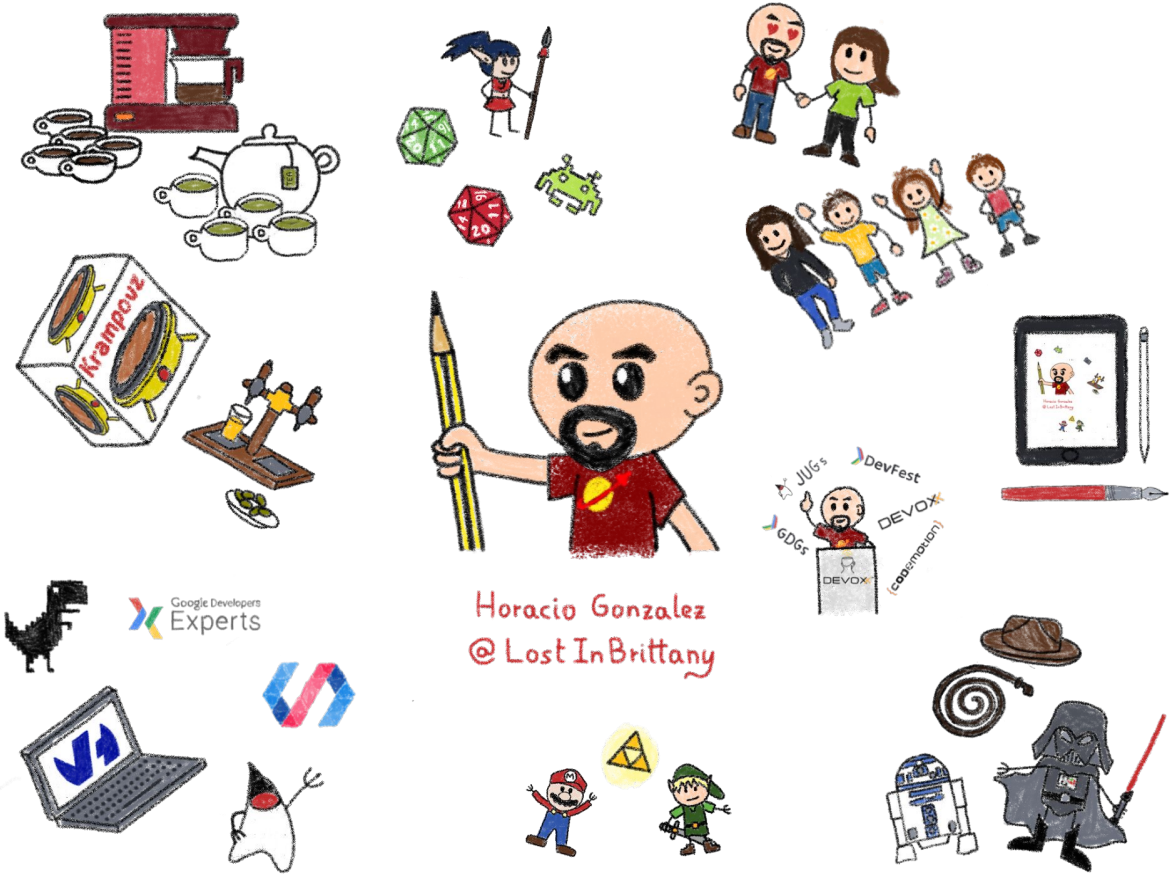
How did we become DevRel?

Once upon a time...

How did Horacio became DevRel?



How did Aurélie became DevRel?
