## **What are Fusion Hair Extensions?**

Fusion Hair Extensions are a revolutionary method of adding length, volume, and texture to your natural hair. At Brittany Hair Salon, we use high-quality, 100% natural human hair extensions that seamlessly blend with your existing hair. The fusion technique involves bonding individual strands of extension hair to small sections of your natural hair using a keratin-based adhesive. The result? A flawless, natural-looking mane that moves and feels just like your own.
