# secondary **TOOLBAR**

The screenshot shows a Drupal page editor interface. At the top, there is a navigation bar with a back arrow, the text 'Edit Swiss Alps', and several utility icons: a pencil for 'Edit', a wrench for 'Workbench', a star for 'Shortcuts', a dropdown menu, a magnifying glass for 'Go to', and a 'Devel' button. On the left side, there is a vertical sidebar with icons for home, content, structure, comments, users, and settings. The main content area features a header with a glass of lemonade icon and a link to 'Home'. Below this is the main title 'Swiss Alps' and a paragraph of text describing the region. A second paragraph is partially visible at the bottom.

# Swiss Alps

The Alpine region of [Switzerland](#), conventionally referred to as the Swiss Alps (German: Schweizer Alpen, French: Alpes suisses, Italian: Alpi svizzere, Romansh: Alps svizras), represents a major natural feature of the country and is, along with the Swiss Plateau and the Swiss portion of the Jura Mountains, one of its three main physiographic regions. The Swiss Alps extend over both the Western Alps and the Eastern Alps, encompassing an area sometimes called Central Alps.[1] While the northern ranges from the Bernese Alps to the Appenzell Alps are entirely in Switzerland, the southern ranges from the Mont Blanc massif to the Bernina massif are shared with other countries such as France, Italy, Austria and Liechtenstein.

The Swiss Alps comprise almost all the highest mountains of the Alps, such as Dufourspitze (4,634 m), the Dom (4,545 m), the Liskamm (4,527 m), the Weisshorn (4,506 m) and the Matterhorn (4,478 m). The other following major summits can be found in this list of mountains of Switzerland.

# dashboard **CONCEPT**

# A reality thanks to Erik Seifert drupal.org/project/dashboards

The screenshot shows a Drupal dashboard for user Sascha. The interface includes a top navigation bar with a 'Back to site' link, 'Shortcuts', and a search bar. The main content area is divided into several sections:

- My Shortcuts:** A list of shortcuts including 'Content', 'Performance', and 'Add content', each with a right-pointing chevron.
- Statistics:** A line chart showing visit trends. The current total is 1'470 visits, with a recent increase of +230 (2.49%). The chart includes time range selectors for 1D, 1W, 1M, 1Y, and All.
- My last edited content:** A section for tracking recently edited items.
- Regional and language:** A section for managing site localization.

A vertical sidebar on the left contains icons for home, dashboard, content, performance, user management, and settings.

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Mene ergo et Triarium dignos existimas, apud quos turpiter loquare? Si qua in iis corrigere voluit, deteriora fecit. Quid est igitur, cur ita semper deum appellet Epicurus beatum et aeternum? Duo Reges: constructio interrete. Cenasti in vita numquam bene, cum omnia in ista Consumis squilla atque acupensere cum decimano. Praeteritis, inquit, gaudeo. Paulum, cum regem Persem captum adduceret, eodem flumine invecio?

Pitch

Sí Claro una Gin

# port features to claro

- 01 Bulk selection
- 02 Layout similar to Gin's
- 03 Customization options
- 04 Darkmode

Drupal Mountain Camp 2022

# Claro update What's new in Gin? Outlook → Take aways

# what to expect next

01 Layout density enhancements

02 Vertical Toolbar refactoring

03 Gin Edit Layout beyond Nodes

04 First stable release

# Install gin

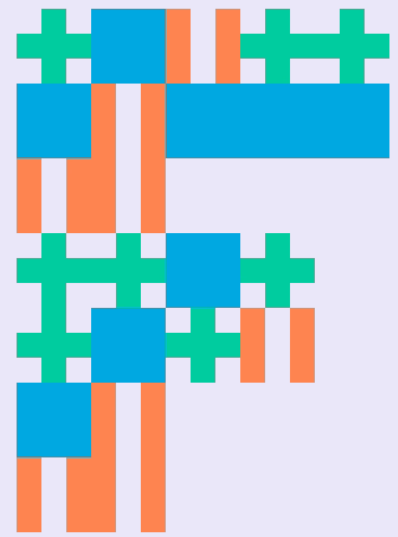

[drupal.org/project/gin](https://drupal.org/project/gin)

```
composer require drupal/gin_toolbar:^1.0@beta drupal/gin:^3.0@beta
```
