What is an Outcome driven team?

Task-focused

Outcome-driven

OUTPUT-FOCUS

Leadership controls

Top-down strategy

Passive contributors

Competition

Producing deliverables

Siloed roadmaps

Yearly targets

OUTCOME-DRIVEN

Leadership inspires

Bottom-up ownership

Empowered teams

Collaboration

Delivering value

Shared North Star

Quarterly goals

Why become outcome-driven?

Why become outcome-driven?

Retain Talent

People want purpose rather than tasks

Support Remote Teams

Goals help remote people be autonomous

Scale Small

Coordinate your squads with a North Star

So, how do we get there?

The 4 stages of Outcome-driven teams

STAGE 1

STAGE 2

STAGE 3

STAGE 4

- Task-focused
- Top-down

- Outcome-driven
- Top-down

- Outcome-driven
- Top-down
- Bottom-up

- Outcome-driven
- Top-down
- Bottom-up
- Fast feedback cycle

**VISIONARY LEADERS
DO NOT SCALE**

Visionary leaders don't scale

- Share a vision doc (purpose, focus areas, success metrics)
- Manage by questions rather than answers
- Start at the top

STAGE 1

STAGE 2

- Focus on outputs
- Top-down

- Outcome-driven
- Top-down

STAGE 3

STAGE 4

- Outcome-driven
- Top-down
- Bottom-up

- Outcome-driven
- Top-down
- Bottom-up
- Fast feedback cycle

ALIGNMENT BEFORE METRICS

Alignment before metrics

- Shared Objectives, different Key Results
- It's OK to be KO
- Keep your goals SMART

STAGE 1

- Focus on outputs
- Top-down

STAGE 2

- Outcome-driven
- Top-down

STAGE 3

- Outcome-driven
- Top-down
- Bottom-up

STAGE 4

- Outcome-driven
- Top-down
- Bottom-up
- Fast feedback cycle

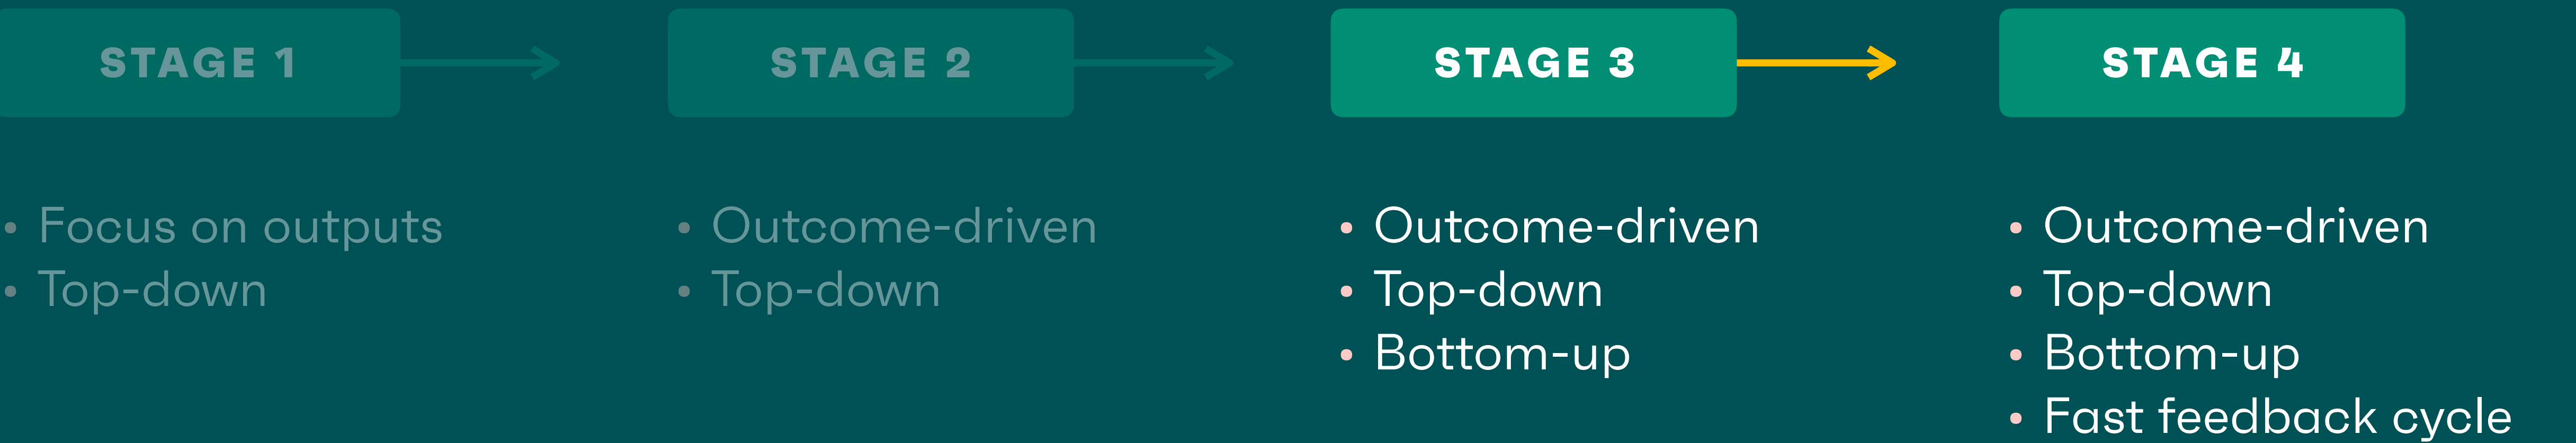

EXECUTION
BEATS STRATEGY

Execution beats strategy

- Review progress on impact every week
- Keep the cost of feedback low
- Move to agile roadmaps

Thank you.
