Goals today

- Build a Thing
- Get a better understanding of AQ
- 10,000 🦶
- Catch sight of a woodpecker
- Make decisions with data

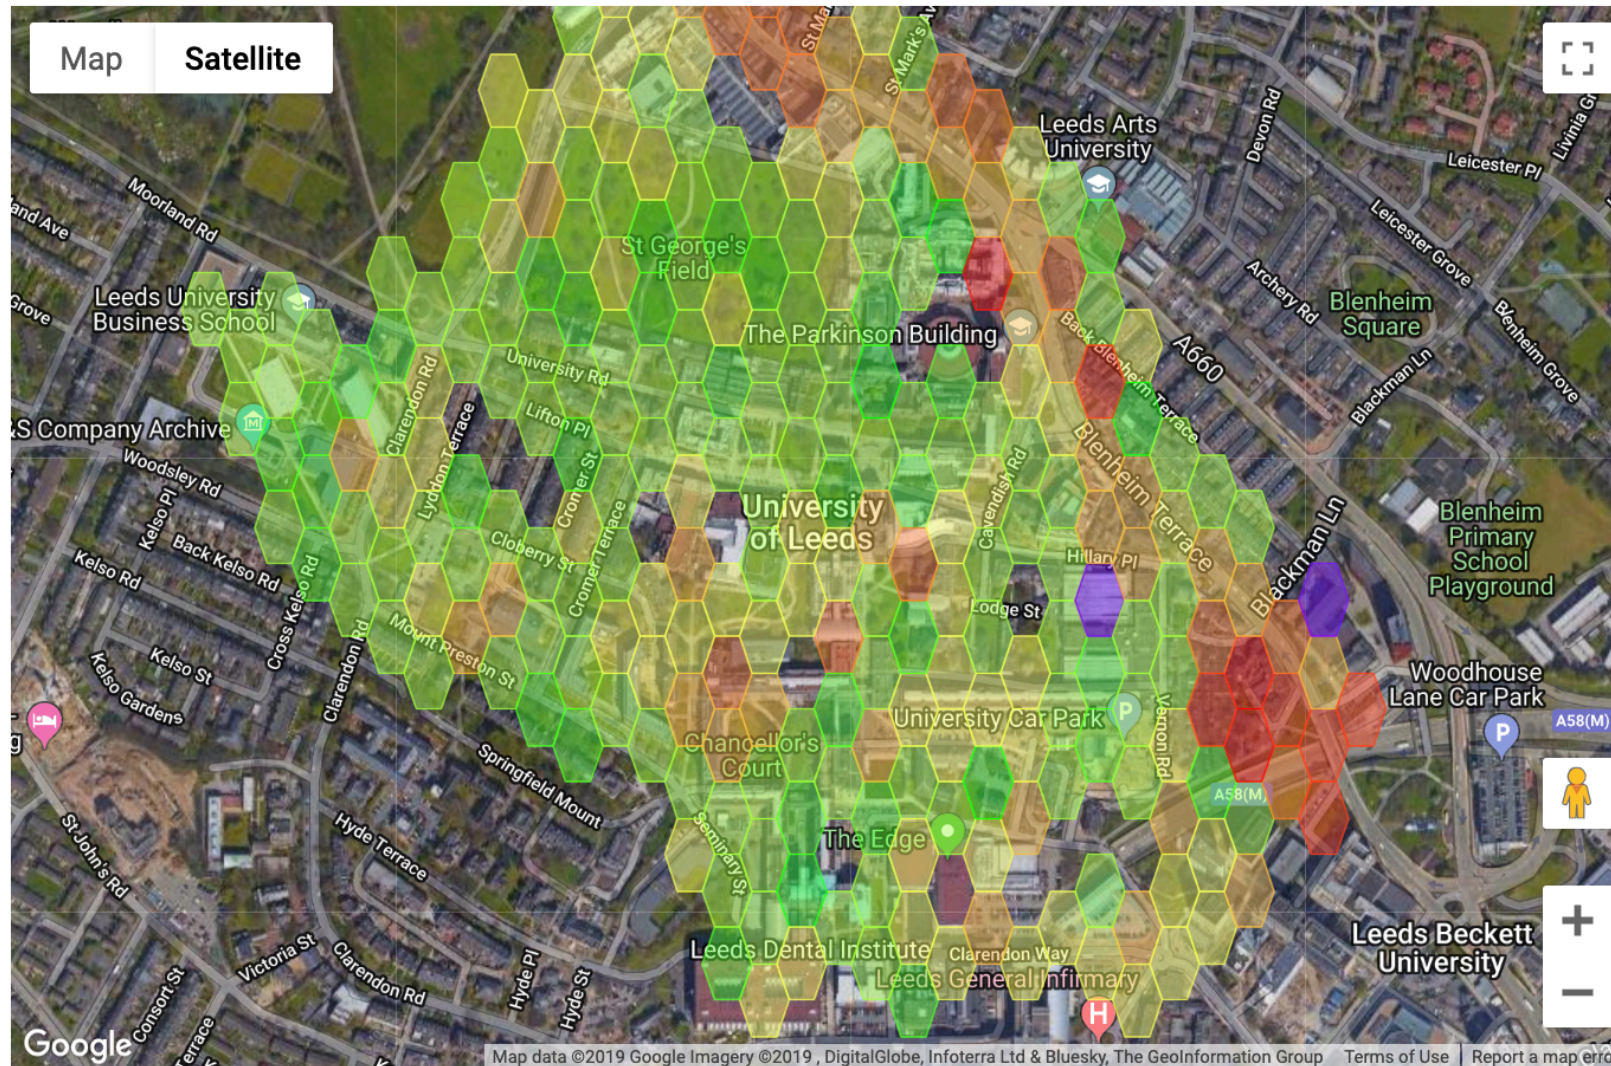

POSITIVE IMPACT PARTNERS

Long-term Average Concentration

Empowering everyone to
make a difference

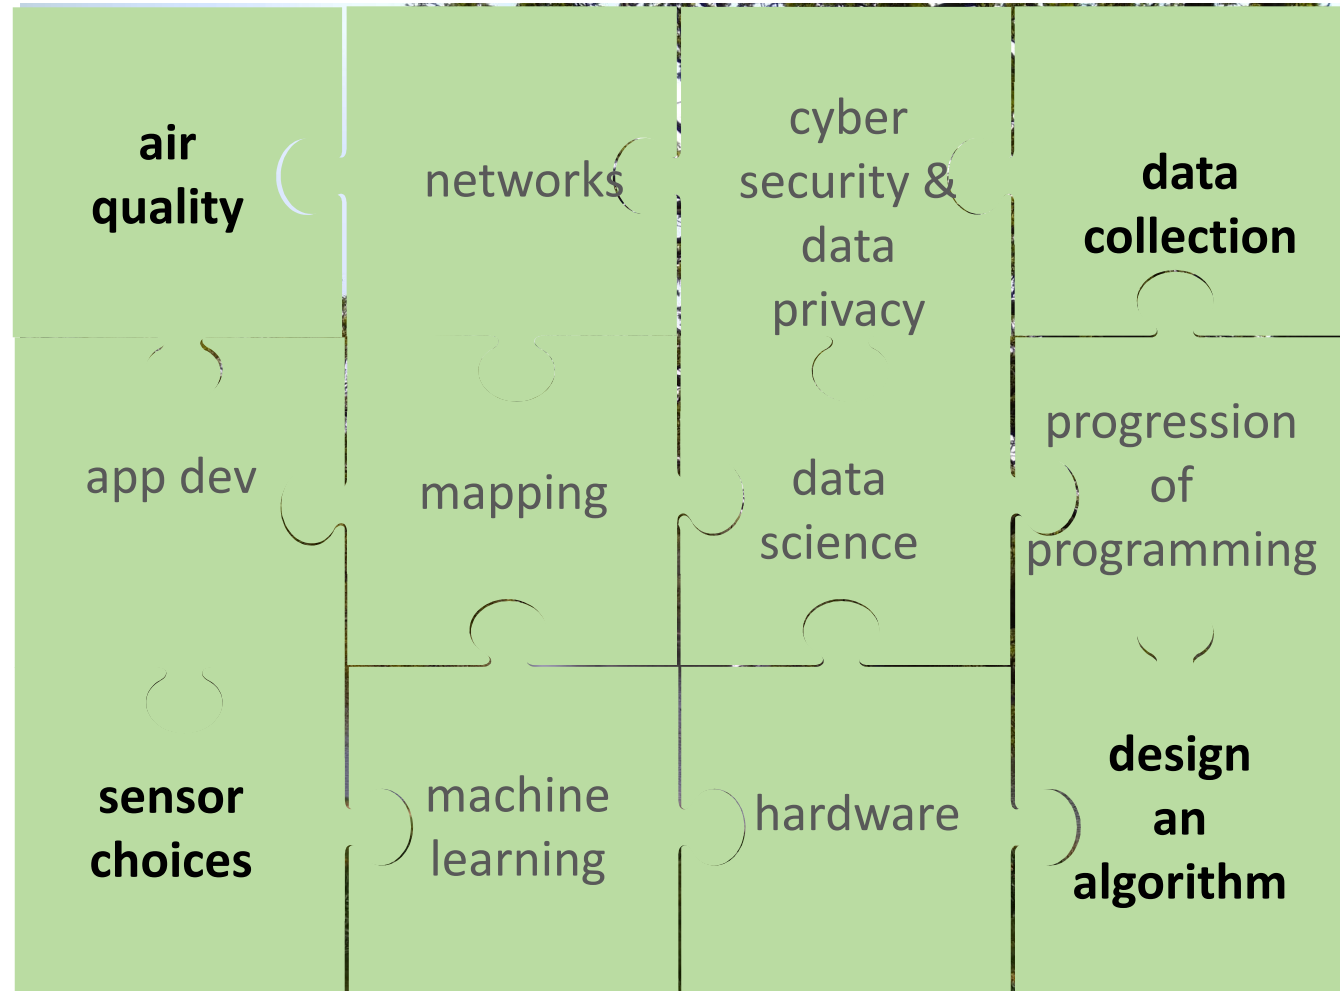

Our Moonshot

350 AQ projects shared on a
citizen science map in 2019

Workshop Jigsaw

The London Smog of 1952

Mid-morning smog, as seen from the embankment
at Blackfriars, London, 5th December 1952

Photo by Monty Fresco/Topical Press Agency/Hulton Archive/Getty Images

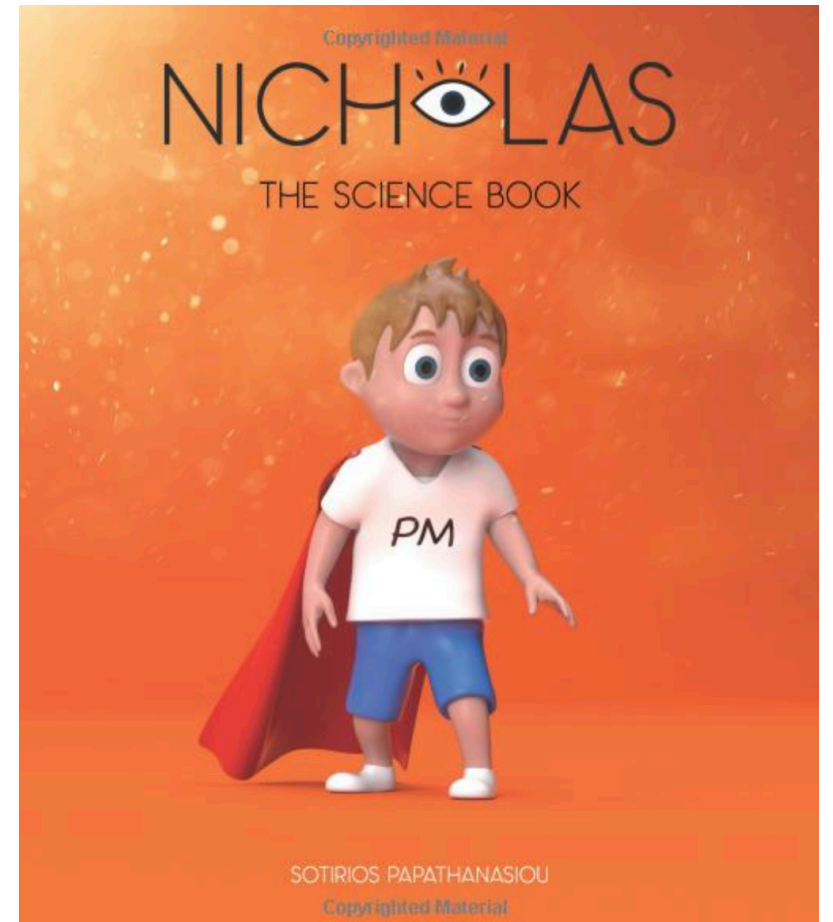

London's four-day Pea-Souper

A London bus makes its way along Fleet Street in heavy smog, 6th December 1952.
