Spreading the News in Program Evaluation

# DISSEMINATION

---

# AGENDA

Plan for Session

**Thoughts about dissemination**

**Real world examples**

**Final project plan**

# USE A TAILORED REPORT

In the creation of a program evaluation report, consideration should be made to the user of the report and what is most useful and helpful for them.

**PEER-EBD**  
**Program**  
**Evaluation**

**Pasco School District # 1**

*School Year 2016-17*

*with Dr. Lisa Hoyt April 11-13th*

**EXAMPLE OF  
DISTRICT WIDE  
REPORT AND  
INDIVIDUAL  
SCHOOL REPORTS**

# FRAMEWORK AND LANGUAGE BASED ON POSITION

Position	Framework	Language
Direct service	Therapeutic models, treatment intervention	Clinical gain or therapeutic change with a single consumer
Manager, supervisor	Single program performance	Therapeutic change across single program; average length of stay, percentage of clients successfully completing the program
Upper management, executive director	Agency-wide performance	Percentage of successful discharges across the agency

(Kapp & Anderson, 2010)
