**What are
Design Principles?**

Design Principles are a set of words or phrases written to help guide a team to reach an objective

The logo features the brand name 'Fisher-Price' in a white, rounded, sans-serif font. The text is centered within a white outline that forms a rectangular shape with rounded corners at the top and a wavy, scalloped bottom edge. The entire logo is set against a solid red background.

Fisher-Price®

Intrinsic play value

Ingenuity

Strong construction

Good value for the money

Action

Design Principles...

**...help us navigate
towards a vision**

**...assist with
decision making**

Design Principles...

...defend your rationale

**...shift thinking
toward goals
not tasks**

**...break down complex
concepts or ideas**

**...create a sense
of “Why?”**

Design Principles...

**...inform decisions,
culture & process**

Design Principles...

**...encourage
collaboration**

Design Principles...

**...promote
innovation**

Design Principles...

**...mean less
meetings**

Design Principles...

**...mean less
management**

3 Principles for Writing Design Principles

Concise

Brief

Simple

Clear and to the point

Memorable

Make them visible, put your principles on the wall

Principles should be referred to in daily conversations

Aim for 3-5 principles

Definitive

What makes your product unique?

How do you define what you want to do?

How do you define who you are?

Concise
Memorable
Definitive

Why not use rules?

Do not drop

DO NOT CRUSH

THIS WAY UP

this side up

do not

stack

do not crush

FRAGILE

Rule:

**The website has to load
in under 10 seconds**

Principle:

Quick

Rule:

**The task needs to be
completed in under 3 steps**

Principle:

Focused

Rule:

**Everything needs to be
accessible from the dashboard**

Principle:

Pertinent

Concise
Memorable
Definitive

Workshop

Visit ben.bz/ideas

“My new startup is like **Dropbox** for **Poets** .”

Create a product or idea

4 minutes

1. Visit ben.bz/ideas
2. Choose a type of product
3. Think of a name for your product
4. Pick somebody to introduce your product to the wider group

Write a mission statement

3 minutes

- “We want to be the number one...”
- “We are solving the problem of...”
- “Our aim is to encourage healthy eating for...”

Discuss themes

5 minutes

As a group discuss some of the design themes that surround your product and its users.

- Who is your product for?
- What challenges will your users face?
- What problems are you trying to solve?

List principles

5 minutes

On your own list as many words, phrases and short sentences that could

- Try framing your themes as positive statements
- List words
- List short phrases
- Write one thing per post-it

Group your principles

3 minutes

Gather the principles together. Find common patterns. Arrange post its into groups.

- Discuss as a team
- Place similar principles in groups
- Identify common patterns

Decide

3 minutes

- Decide which principles best fit your mission and themes
- Ideally you should aim for 3-5 principles
- Concise. Memorable. Definitive.
- Get ready to present your product and principles to the room

One by one tell us:

- Your product name
- What your product does
- What your mission statement is

Then:

- Read out your design principles and briefly explain why you chose them

Thank you!
