

Playing To Our Strengths

Lorna Mitchell, Vonage

Humans are diverse

API descriptions speak our language(s)

Machines have strengths too

A row of large, weathered wooden wheels, likely from old carts or wagons, leaning against a wooden fence. The wheels are made of light-colored wood with many spokes and thick, dark, rusted metal rims. They are arranged in a line, receding into the distance. The background is filled with lush tropical plants, including palm trees and various green leaves. The ground is dry and dusty. A semi-transparent dark banner is overlaid across the middle of the image, containing the text.

Innovation is incremental change

Building upon Docs as Code

```
mirror_mod.use_x = False
mirror_mod.use_y = True
mirror_mod.use_z = False
elif _operation == "MIRROR":
    mirror_mod.use_x = False
    mirror_mod.use_y = False
    mirror_mod.use_z = True

#selection at the end--add back the deselected mirror modifier object
mirror_ob.select= 1
modifier_ob.select=1
bpy.context.scene.objects.active = modifier_ob
print("Selected" + str(modifier_ob)) # modifier ob is the active ob
```

Customers are a crowd

A scenic landscape at sunset. The foreground is filled with tall, green grass. In the background, there are rolling hills and mountains under a sky with scattered clouds. The sun is low on the horizon, creating a warm, golden glow. A dark, semi-transparent banner is overlaid on the right side of the image, containing the text "The future has side-effects" in a white, cursive font.

The future has side-effects
