A LITTLE BIT ABOUT ME...

<https://www.vuedc.io/>

BUILD ALL THE THINGS

WITH VUEJS

STEP #1:

CHOOSE A NAME

Actual
programming

Debating for
30 minutes on
how to name a
variable

LUCKILY, IT'S NOT THAT HARD

LUCKILY, IT'S NOT THAT HARD

```
Vue{{ yourCity }}
```

LUCKILY, IT'S NOT THAT HARD

```
Vue{ { yourCity } }
```

```
VueJS{ { yourCity } }
```

STEP #2:

**GRAB ALL THE
BRANDING THINGS**

TWO MAJOR ONES TO GET

- Twitter
- Meetup || nvite

TWO MAJOR ONES TO GET

- Twitter
- Meetup || nvite

NICE TO HAVES

- Domain name
- Google || YouTube
- Instagram

STEP #3:

**GETTING A VENUE &
SETTING A DATE**

PLACES TO CONSIDER

- Your office space
- Community centers
- Co-working spaces
- Ask around to see if members want to host

STEP #4:

MEETUP LOGISTICS

TOP THINGS TO KEEP IN MIND

TOP THINGS TO KEEP IN MIND

- Is your location easily accessible?

TOP THINGS TO KEEP IN MIND

- Is your location easily accessible?
- Can someone sponsor food or snacks?

TOP THINGS TO KEEP IN MIND

- Is your location easily accessible?
- Can someone sponsor food or snacks?
- What do attendees need for the Meetup?

STEP #5:

SPREAD THE WORD!

ORGANIZER IMPOSTER SYNDROME

ORGANIZER IMPOSTER SYNDROME

But I'm not an expert at Vue.js!

That's okay! The point of the meetup is to provide a safe space for people to come learn and ask questions. You don't need to feel pressure to know it all.

But I'm not an expert at Vue.js!

That's okay! The point of the meetup is to provide a safe space for people to come learn and ask questions. You don't need to feel pressure to know it all.

What about getting speakers for the meetups?

One option is to be prepared to talk yourself. Or if public speaking isn't your thing, there are other options like group study sessions, hack nights, etc.

But I'm not an expert at Vue.js!

That's okay! The point of the meetup is to provide a safe space for people to come learn and ask questions. You don't need to feel pressure to know it all.

What about getting speakers for the meetups?

One option is to be prepared to talk yourself. Or if public speaking isn't your thing, there are other options like group study sessions, hack nights, etc.

How much food should I be ordering?

Expect roughly 30-40% of RSVP total

WHO CAN DO IT?

YOU CAN DO IT!
