# Setting Sail

The background of the slide features a wide-angle photograph of a mountainous landscape at sunset or sunrise. The sky is filled with warm orange and yellow hues, transitioning into cooler blues and purples. In the foreground, there's a grassy hill where a single person is walking away from the viewer. The middle ground shows rolling hills covered in green vegetation. In the distance, a small town with several buildings and spires is visible through a layer of mist or low-hanging clouds. The overall atmosphere is serene and inspiring.
