Speaking in a Virtual World

https://app.sli.do/event/zbg0ikxf

2020 is a strange year...

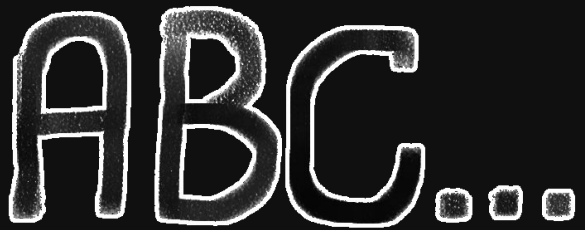
Has talk creation changed?

No.

What's your speaking experience?

Coming up with an idea

Nothing is easy until you know it



What do you get excited about?

What lessons did you learn?

What can be learnt from your experience?

Creating a description

Be Clear

What value do you add?

How is your talk different?

Basic Structure

What problem are you solving and a hook
(1 or 2 sentences)

Briefly, what does the talk include.
(2 - 4 sentences)

Who is it useful to, and what will they take away from the talk
(1 - 2 sentences)

Writing the talk

Don’t worry about it until you have a deadline

When it comes presenting...

@JessPWhite

But you aren't alone....
