

#### THE SUBTLE ART OF GIVING CODE WALKTHROUGH TALKS

RICARDO FERREIRA PRINCIPAL DEVELOPER ADVOCATE ELASTIC

WHY WORRY ABOUT LIVE DEMOS? IT WILL BE MEMORABLE, RIGHT?

MY TALK WILL BE A LIVE DEMO.

RIGHT?

# ZERO SLIDES, AND TALK IS TOMORROW

## CAN YOU SEE MY SLIDES?

#### WHAT?

• BEHAVIORAL ASPECTS OF LIVE DEMOS

• FIXING CLASSIC LIVE DEMO MISTAKES

• KEEPING THE ATTENTION SPAN HIGH

**@RIFERREI** 

### NOT ABOUT YOU.

## IT IS ABOUT THEM.

# I AM AWESOME.

#### YOU'RE MY BOY, BLUE

SHOW THAT YOU ENJOY WHAT YOU'RE DOING

# DON'T "TERMINATE" YOURSELF

#### PAUSING IS KEY

#### YEAH BUT ...

### START WITH A REPO

#### GIT CLONE (REPO NAME)

# BREAK YOUR CODE INTO A NARRATIVE
