- Collaboration
- Community
- Meritocracy
- Licensing

Let's do it.

Let's get

dramatic

Something is rotten
in the state of ~~Denmark~~ OSS

Transparency

Collaboration

Community

Meritocracy

Licensing

Act I, Scene IV

(more or less)

Code is personal

Code is life

**Maybe not super
healthy, actually?**

Healthy detachment

Document
everything

Automate

Identify and nurture leaders

Establish a succession plan

Set clear boundaries

Take breaks
(scheduled or not)
