The screenshot shows a web editor interface with a dark top bar containing 'Manage' and 'Shortcuts'. Below this is a navigation bar with tabs for 'Content', 'Structure', 'Appearance', 'Extend', 'Configuration', and 'People'. The main content area shows a breadcrumb 'Home > This is a page title' and a large heading 'This is a page title' with a star icon. Below the heading is a toolbar with 'View', 'Edit', and 'Delete' options. The 'Edit' option is active, and a text input field is shown with the text 'This is a page title' and a red asterisk indicating a required field.

## Text formats and editors ☆

Text formats define how text is filtered for output and how HTML tags and other text is displayed, replaced, or removed. Improper text format configuration is a security risk. Learn more on the [Filter module help page](#).

Text formats are presented on content editing pages in the order defined on this page. The first format available to a user will be selected by default.

A group of children are celebrating at a birthday party. In the foreground, a girl with blonde hair is smiling. Behind her, a boy is shouting with his mouth wide open. To the left, another boy is also shouting. In the background, a girl is wearing a red party hat. A birthday cake with lit candles is visible in the lower left corner. The entire scene is dimly lit, with the text 'Exciting, right?' overlaid in white.
