# Blog Post

The screenshot shows the Twilio blog interface. At the top left is the Twilio logo and 'BLOG' text. On the right, there are links for 'DOCS', 'LOG IN', 'SIGN UP', and 'TWILIO'. A dark banner features the text 'Build the future of communications.' and a 'START BUILDING FOR FREE' button. Below this is a search bar and a navigation menu with 'TWITTER', 'FACEBOOK', and 'LINKEDIN' buttons. The main content area displays the article title 'Summarize Text from Images Using AI and Twilio' by 'BY ANTHONY DELLAVECCHIA' dated '2022-09-01'. A large blue graphic with the article title is visible. On the left sidebar, there is a 'POSTS BY STACK' section with tags for 'JAVA', 'PHP', 'RUBY', '.NET', 'PYTHON', 'SWIFT', 'ARDUINO', and 'JAVASCRIPT'. Below that is a 'POSTS BY PRODUCT' section with tags for 'EMAIL', 'SMS', and 'VOICE'. A 'START BUILDING FOR FREE' button is also present in the sidebar.
