

## Choose Smiles On 35th to Find Solutions for Your Dental Problems

---

Dental problems make people go through severe pain. However, there is a solution to these problems. Today, people can consult dentists and find solid solutions to these problems. But people need to find a [Wedgwood dental](#) clinic that can deliver treatments for these problems. However, if you are in Wedgewood, there are only a few options available. But still, you can manage to get top services. For this, you will have to visit Smiles On 35th only.

Smiles On 35th is known for its commendable services and treatments related to your dental problems. The dental clinic can help you with almost any type of dental problem. Whether you need general dentistry treatments or oral surgery, you can always count on Smiles On 35th. The dentists at this clinic are far better than other dentists. They keep the range of treatment concise and according to your dental problems. You do not need to pay extra or go through unnecessary treatments. There are several reasons to choose [Wedgewood dentistry](#) treatments from Smiles On 35th. Some of those are:

1. **Offers for New Patients:** Smiles On 35th serves warmly to its new patients. But that doesn't mean it does not focus on its current patients. The aim of focusing equally on new patients is to give them a comfortable experience. New patients can enjoy several offers. For instance, you can get free dental and Invisalign consultation at Smiles On 35th. Moreover, the rates of examinations, x-rays, and cleaning are reasonable. Moreover, if you need an emergency examination and x-rays, you can rely on this dental clinic. Therefore, giving dental treatments from Smiles On 35th a try is worth it.

- 2. COVID-19 Safety:** The [Wedgewood dentist](#) and staff at Smiles On 35th pay attention to COVID-19 safety guidelines. Everyone at this dental clinic never compromises patients' health and safety. Therefore, they wear PPE kits all the time. The clinic follows social distancing and does prescreening for all the incomers. Also, patients can use digital and touchless options and avoid contacting others. Hence, choosing dental treatments from Smiles On 35th is best in the current COVID-19 times.

Smiles On 35th enthusiastically helps its regular patients with quality dental treatments. These patients can become VIP members of the clinic and get many service benefits. For example, they can book appointments online. So, for the best dental treatment and services, you should always rely on Smiles On 35th in Wedgewood.
