

Iboothme

Get your Brand Noticed

Solutions

“iboothme delivers custom AI experiential marketing and technology for brand activations. From photo booths to robotics and personalized merch, every solution is built in-house to create impact for leading brands worldwide.”

iboothme X

- Premium AI Technology
- An awesome vertical-screen AI photo booth built for social-first formats. Sleek, modern, and engineered for studio-quality results that amplify your brand activations.

GlamDroid

- Premium | [Robotic Technology](#)

“GlamDroid puts cinematic robotics in your guests' hands. With the freedom to select multiple camera moves, every shot is built to go viral while safety sensors keep it smooth and secure.”

Claw X

- PREMIUM | INTERACTIVE GAMING & PRIZE DISTRIBUTION
- [Claw Machine](#) is built to pull a crowd. The iconic claw is re-engineered for brands where guests play, grab, and win while your products sit at the center of the action. Suspense, buzz, and instant shareability in one machine.

Gumball X

- PREMIUM | INTERACTIVE & BRAND ACTIVATION

“Gumball X turns the iconic gumball machine into a powerful brand activation tool. Guests twist to reveal prizes or rewards, creating suspense, shareability, and instant buzz with your product at the center.”

Locker X

- PREMIUM | INTERACTIVE PRODUCT DISTRIBUTION

“Locker X turns prizes into a game. Guests scan, play, and unlock — with your products at the heart of the experience.”
