

A large, weathered metal trash can is the central focus, filled with a bright, intense fire. Thick white smoke billows upwards from the opening of the can. To the left, another similar metal bin is partially visible, containing some crumpled paper. In the background, a rustic wooden fence made of vertical logs or branches stands against a bright, hazy sky. The overall scene suggests an informal waste disposal site.

# DevOps Team

A close-up, top-down view of a large pile of unsorted jigsaw puzzle pieces. The pieces are in various colors including yellow, orange, red, green, blue, and grey, and are scattered haphazardly across the frame. A semi-transparent horizontal band is overlaid across the middle of the image, containing the text "All the pieces are on the team".

# Tightly Coupled “Microservices”

Photo by Zulmaury Saavedra on Unsplash

An aerial photograph of a sandy beach. On the left side, there are several rows of lounge chairs, some with white towels or umbrellas draped over them. The sand is a warm, golden-brown color. A dark, semi-transparent horizontal band is positioned across the middle of the image, containing the text "Make them independent" in white. The right side of the image shows a smoother, more uniform expanse of sand.

Make them independent

This is not a house

There's no such thing as a  
DevOps Tool
