Building Teams

Secure your future

A group of people are participating in a cup-stacking challenge. In the center, a tall stack of blue plastic cups is being built. Several people are crouching or sitting on the floor around the stack, some holding cups. The floor is covered with many blue plastic cups, some of which are overturned. In the background, other people are standing and watching. The text "Teams aren't easy" is overlaid in the center of the image.

Teams aren't easy

Treat each other well.
