#DevOpsDays

**Repeatable!**

Guide, don't dictate  
Aim for the 80%

Tool	Rating
Java	Invest
JFrog Artifactory	Invest
JFrog Xray	Research
Gradle	Invest
Maven	Maintain
Ant	Divest

# Let's talk about trust

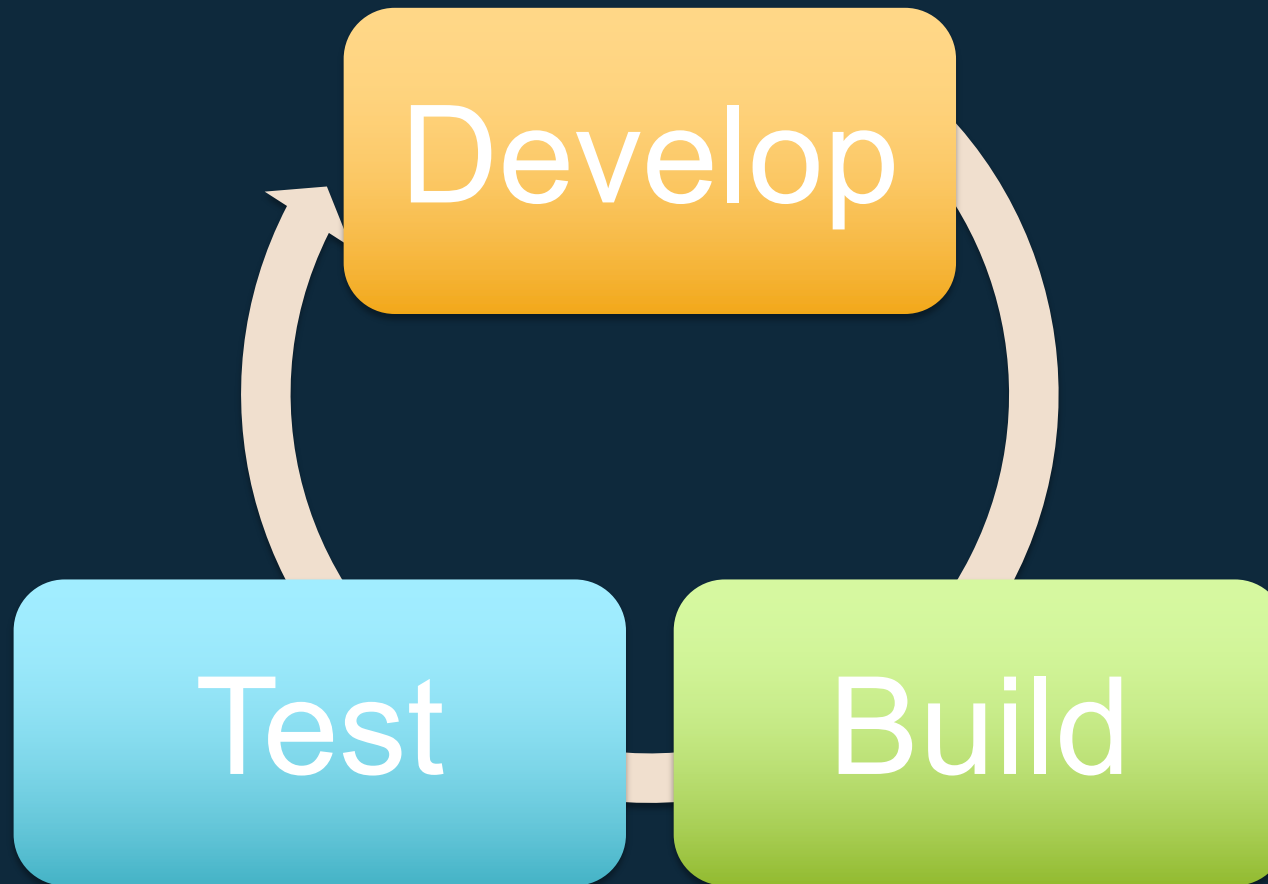

@jbaruch

<http://jfrog.com/shownotes>

#DevOpsDays

Some commits should fail!

@jbaruch

<http://jfrog.com/shownotes>

#DevOpsDays

Quality is the bottleneck

Automatic testing is not enough

But we can use our customers as  
testers

Canary releases
