KING B®

# ABOUT US

King B Distribution is one of the biggest distributors in the United States and specializes in premium Delta 9 THC gummies, kratom shots, and edibles, advanced 7-hydroxy hemp formulations, and excellent functional mushroom supplements. The company is in Salt Lake City, Utah, and prides itself in having sold more than 15 million gummies, every single one fast-acting, reliable, and legally compliant, without requiring any medical prescription.

All products from King B Distribution are tested by independent laboratories to check for their potency, purity, and legal compliance. Bold and flavorful options are offered from the products of the brand, whether under its THC, kratom, or mushroom lines; each and every one of them is vegan-friendly and discreetly packaged. For their partners, King B offers wholesale opportunities with affiliate support, private labeling, volume-tiered discounts, and flexible net payment terms.

With a philosophy of simplicity, transparency, and quality uncompromised, King B Distribution aims at delivering wellness solutions that can either relax you, help you concentrate, energize you, or simply add comfort to your daily routine.

# Blood Orange THC Gummies

There is much to appreciate with the bold flavors and balanced effects offered by our blood orange THC gummies. A perfectly tangy citrus note mingles with the hemp-derived THC for an unforgettable experience. The gummies offer a smooth, invigorating effect, accompanied by the distinctive taste of ripe blood orange—a perfect treat in terms of flavor and effects.

Meticulously prepared, each dose of our blood orange THC gummies gives you a consistent and dependable dose of relaxation or mood enhancement, or enjoyment in that little treasured moment. Whether you're getting things started for the evening or just spicing up your creative flow, these gummies get you your THC fix discreetly and in style.

These **blood orange THC gummies** are vegan, gluten-free, and made with natural flavors so that you may enjoy a clean, high-quality product that you can trust. Each batch is tested in a lab to confirm potency and purity so that every member of the team will be able to take the product with great confidence—straightforward results, no surprises.

Recharge your wellness regimen with the uplifting taste and effects of these blood orange THC gummies, where the simplicity of cannabis meets citrus delight.
