

Cantina Theme  
(Workin' for the Law)

A black and white photograph of a dilapidated, two-story wooden building in a desert landscape. The building is made of dark, weathered wood and has several windows and doors that are boarded up or missing. The roof is partially collapsed. In the foreground, there is a large wooden wagon with spoked wheels. To the right, there is a small, old car. In the background, there are rolling hills and a few small buildings. The sky is cloudy.

# Final Theme

photo by Eniko Polgar on Unsplash

A black and white photograph of a dilapidated wooden building, likely a ghost town structure, standing in a vast, arid landscape. The building is two stories high, constructed of dark, weathered wood. It has two windows on the upper floor; the one on the left has a shuttered frame, while the one on the right is an empty opening. The ground floor has a large, open doorway and a smaller, partially collapsed entrance. The building is situated on a grassy field. In the background, there are rolling hills, a few scattered small structures, a large wooden wagon wheel, and an old car. The sky is filled with wispy clouds.
