A tank is very commonly used in every household to store water which is used for drinking functions. It's invariably higher to induce the tank professionally cleaned a minimum of once or double a year to maintain a better hygiene level. We provide professional water tank cleaning in Panchkula.

**BUSY BUCKET**

# About Us

The Journey of the Busy Bucket family started back in 2015 at Mohali. It all began when two soul partners need home cleaning services but got disappointed to see a lack of professional services providers. The duo has rich hospitality background experiences and a fine hand in H.R / Training field. They started a small operation with a Laptop, Sofa to sit and a Mobile phone and name it as Busy Bucket. The aim is to build a one-stop-shop for all home services with affordable price and high quality with a professional methodology which we proudly call “the 360 degrees of happiness”
