

# Using Open Source to Solve an Identity Crisis

Tracking the Bengali Diaspora

**Nishat Anjum**  
**she/her**  
**(knee-shot ann-jhum)**  
**@thathijabae**

# Content Warning:

Mentions of:

- Death or dying.
- Genocide and warfare.

□ The story of me.  
□ □ □ Genocide and data.  
□ □ Where the tech comes in.  
□ □

they have no idea what it is like  
to lose home at the risk of  
never finding home again  
have your entire life  
split between two lands and  
become the bridge between two countries

*first generation immigrant - rupi kaur*

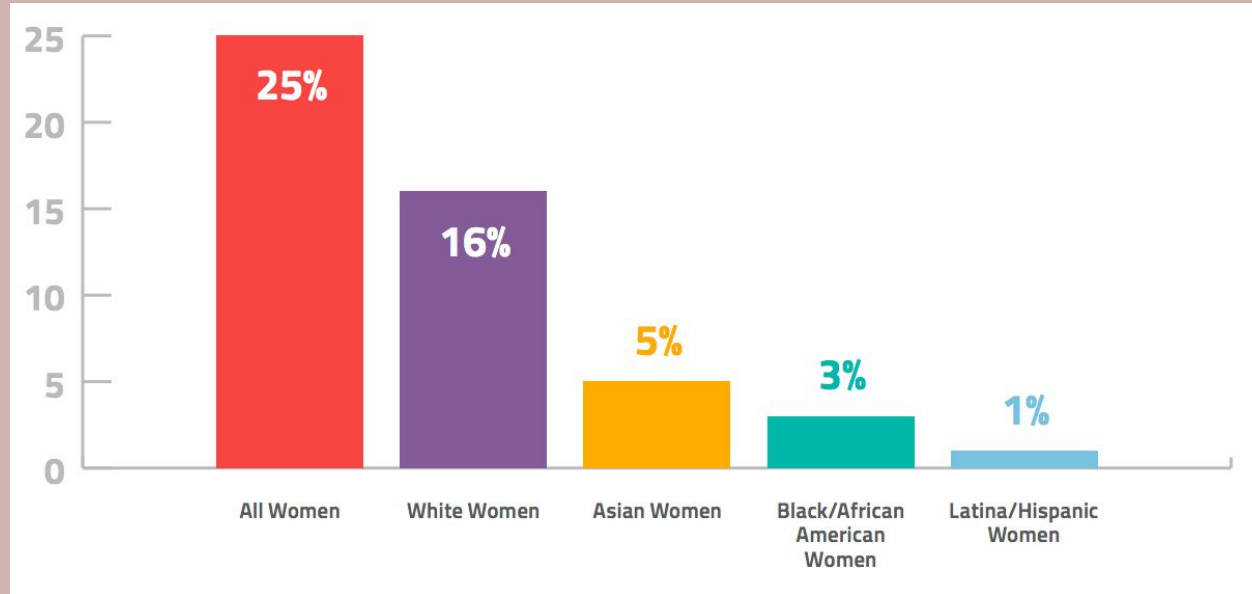

**Being a WoC in tech is  
like being a double  
minority.**

**Being a WoC or a  
Non-binary PoC in tech is  
like being a double minority.**

In 2015, women made up 25 percent of computing-related occupations. (NCWIT/ Bureau of Labor, 2016).

Percentage of Computing Occupations Held By Women, 2015

**The intersection of tech and cultural identity occurred once I moved past building apps and websites for the sake of building apps and websites and bridged an understanding of what matters to me.**

**How do I use my experiences to  
create a better future for those like me  
who come after me?**

- ⚡ 11th most densely populated country
- ☐ ⚡ Known for textiles exports {Zara, H&M factories}
- ☐ ⚡ March 1971 – December 16, **1971** Bangladesh
- ☐ Liberation War
- ⚡ Genocide: About 3 Million Bengalis murdered
- ☐

# diaspora

noun | di·as·po·ra | \ dī-'as-p(ə-)rə , dē- \

the movement, migration, or scattering of a people away from an established or ancestral homeland

or

any group migration or flight from a country or region.

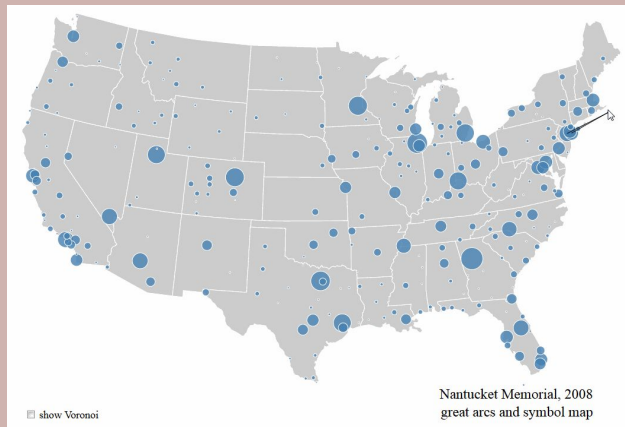

**Data is always collected with an agenda.**

**I wanted to make my father's memories of war concrete with some hard numbers.**

**Big data has a history of  
harming marginalized  
communities.**

**D3.JS is a great introduction  
to data visualization.**

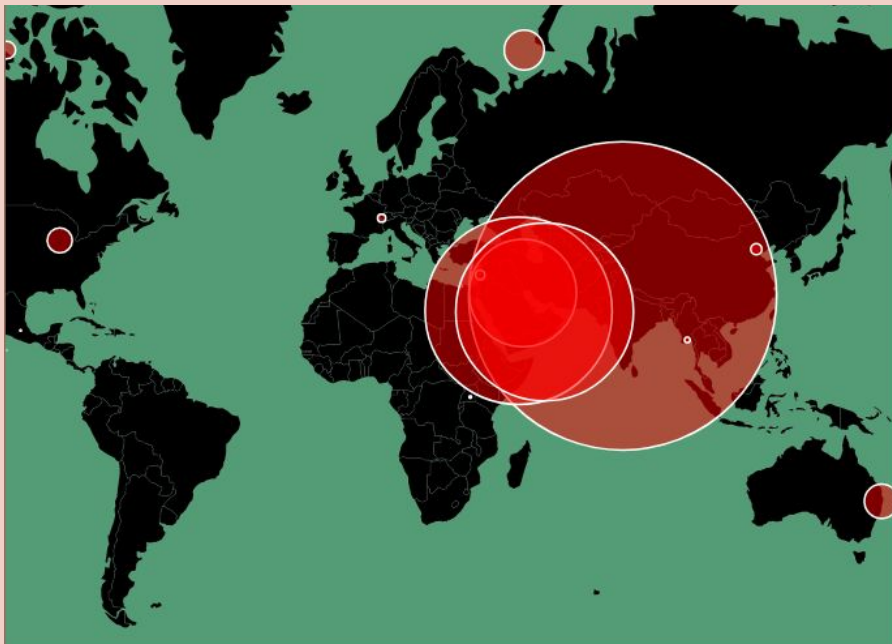

# Running through the UN archives with my woes.

Year	Sort order	Major area, region, country or area of destination	Notes	Code	Type of data (a)	Bangladesh
1990	1990002	More developed regions	b	901		160,805
1990	1990003	Less developed regions	c	902		5,290,741
1990	1990004	Least developed countries	d	941		2,047
1990	1990005	Less developed regions, excluding least developed countries		934		5,288,694
1990	1990006	High-income countries	e	1503		1,038,610
1990	1990007	Middle-income countries	e	1517		4,412,312
1990	1990008	Upper-middle-income countries	e	1502		34,282
1990	1990009	Lower-middle-income countries	e	1501		4,378,030
1990	1990010	Low-income countries	e	1500		624
1990	1990011	Sub-Saharan Africa	f	947		2,649
1990	1990012	AFRICA		903		3,079
1990	1990013	Eastern Africa		910		132
