How-To USMLE: Dr. Stephen Franco, M.D.

Dr. Stephen Franco, M.D., is a graduate of St. George's University School of Medicine. He is currently a resident at Mount Sinai West Hospital in Manhattan.

Dr. Franco's personal experiences in medical school, where he transformed from a struggling student into an honor society member, have informed his study methods.

His tutorials have helped hundreds of other medical students improve their study tactics and their exam scores.

Dr. Franco has been featured in multiple news outlets, including the New York Times.
