### **VuePress**

Vue-powered Static Site Generator

### **Vue-Powered**

### Performant

VuePress generates pre-rendered static HTML for each page, and runs as an SPA once a page is loaded.

## IT COMES WITH A DEFAULT THEME THAT IS 🍊

- Responsive theme with essential navigation features built out
- Automatic Last Updated meta field
- Internationalization ready when you need it
- Easily customizable
- Built in searching / autocomplete
- Automatic link generation to repo

VuePress is a static site generator with a Vue powered theming system that comes with a default theme optimized for technical documentation.

VuePress is a static site generator with a Vue powered theming system that comes with a default theme optimized for technical documentation.

### **VuePress in Toronto**

HAPPY FRIDAY!

So glad to be here at **VueConf** Toronto with with over 400 people!

Things I *need* to try:

- 1. Tim Horton's
- 2. Poutine
- 3. All the maple flavored things! 🝁

**# VuePress in Toronto** 

{{ "Happy Friday!".toUpperCase() }}

:wave: :wave: :wave: :wave: :wave: :wave:

So glad to be here at \*\*VueConf\*\* Toronto with over {{ 200 + 200 **}** people!

Things I \_need\_ to try:

1. Tim Horton's

- **1.** Poutine
- 1. All the maple flavored things! :maple:
