jQuery is not dead, and that's fine

"You shouldn't be using jQuery, it's too slow"
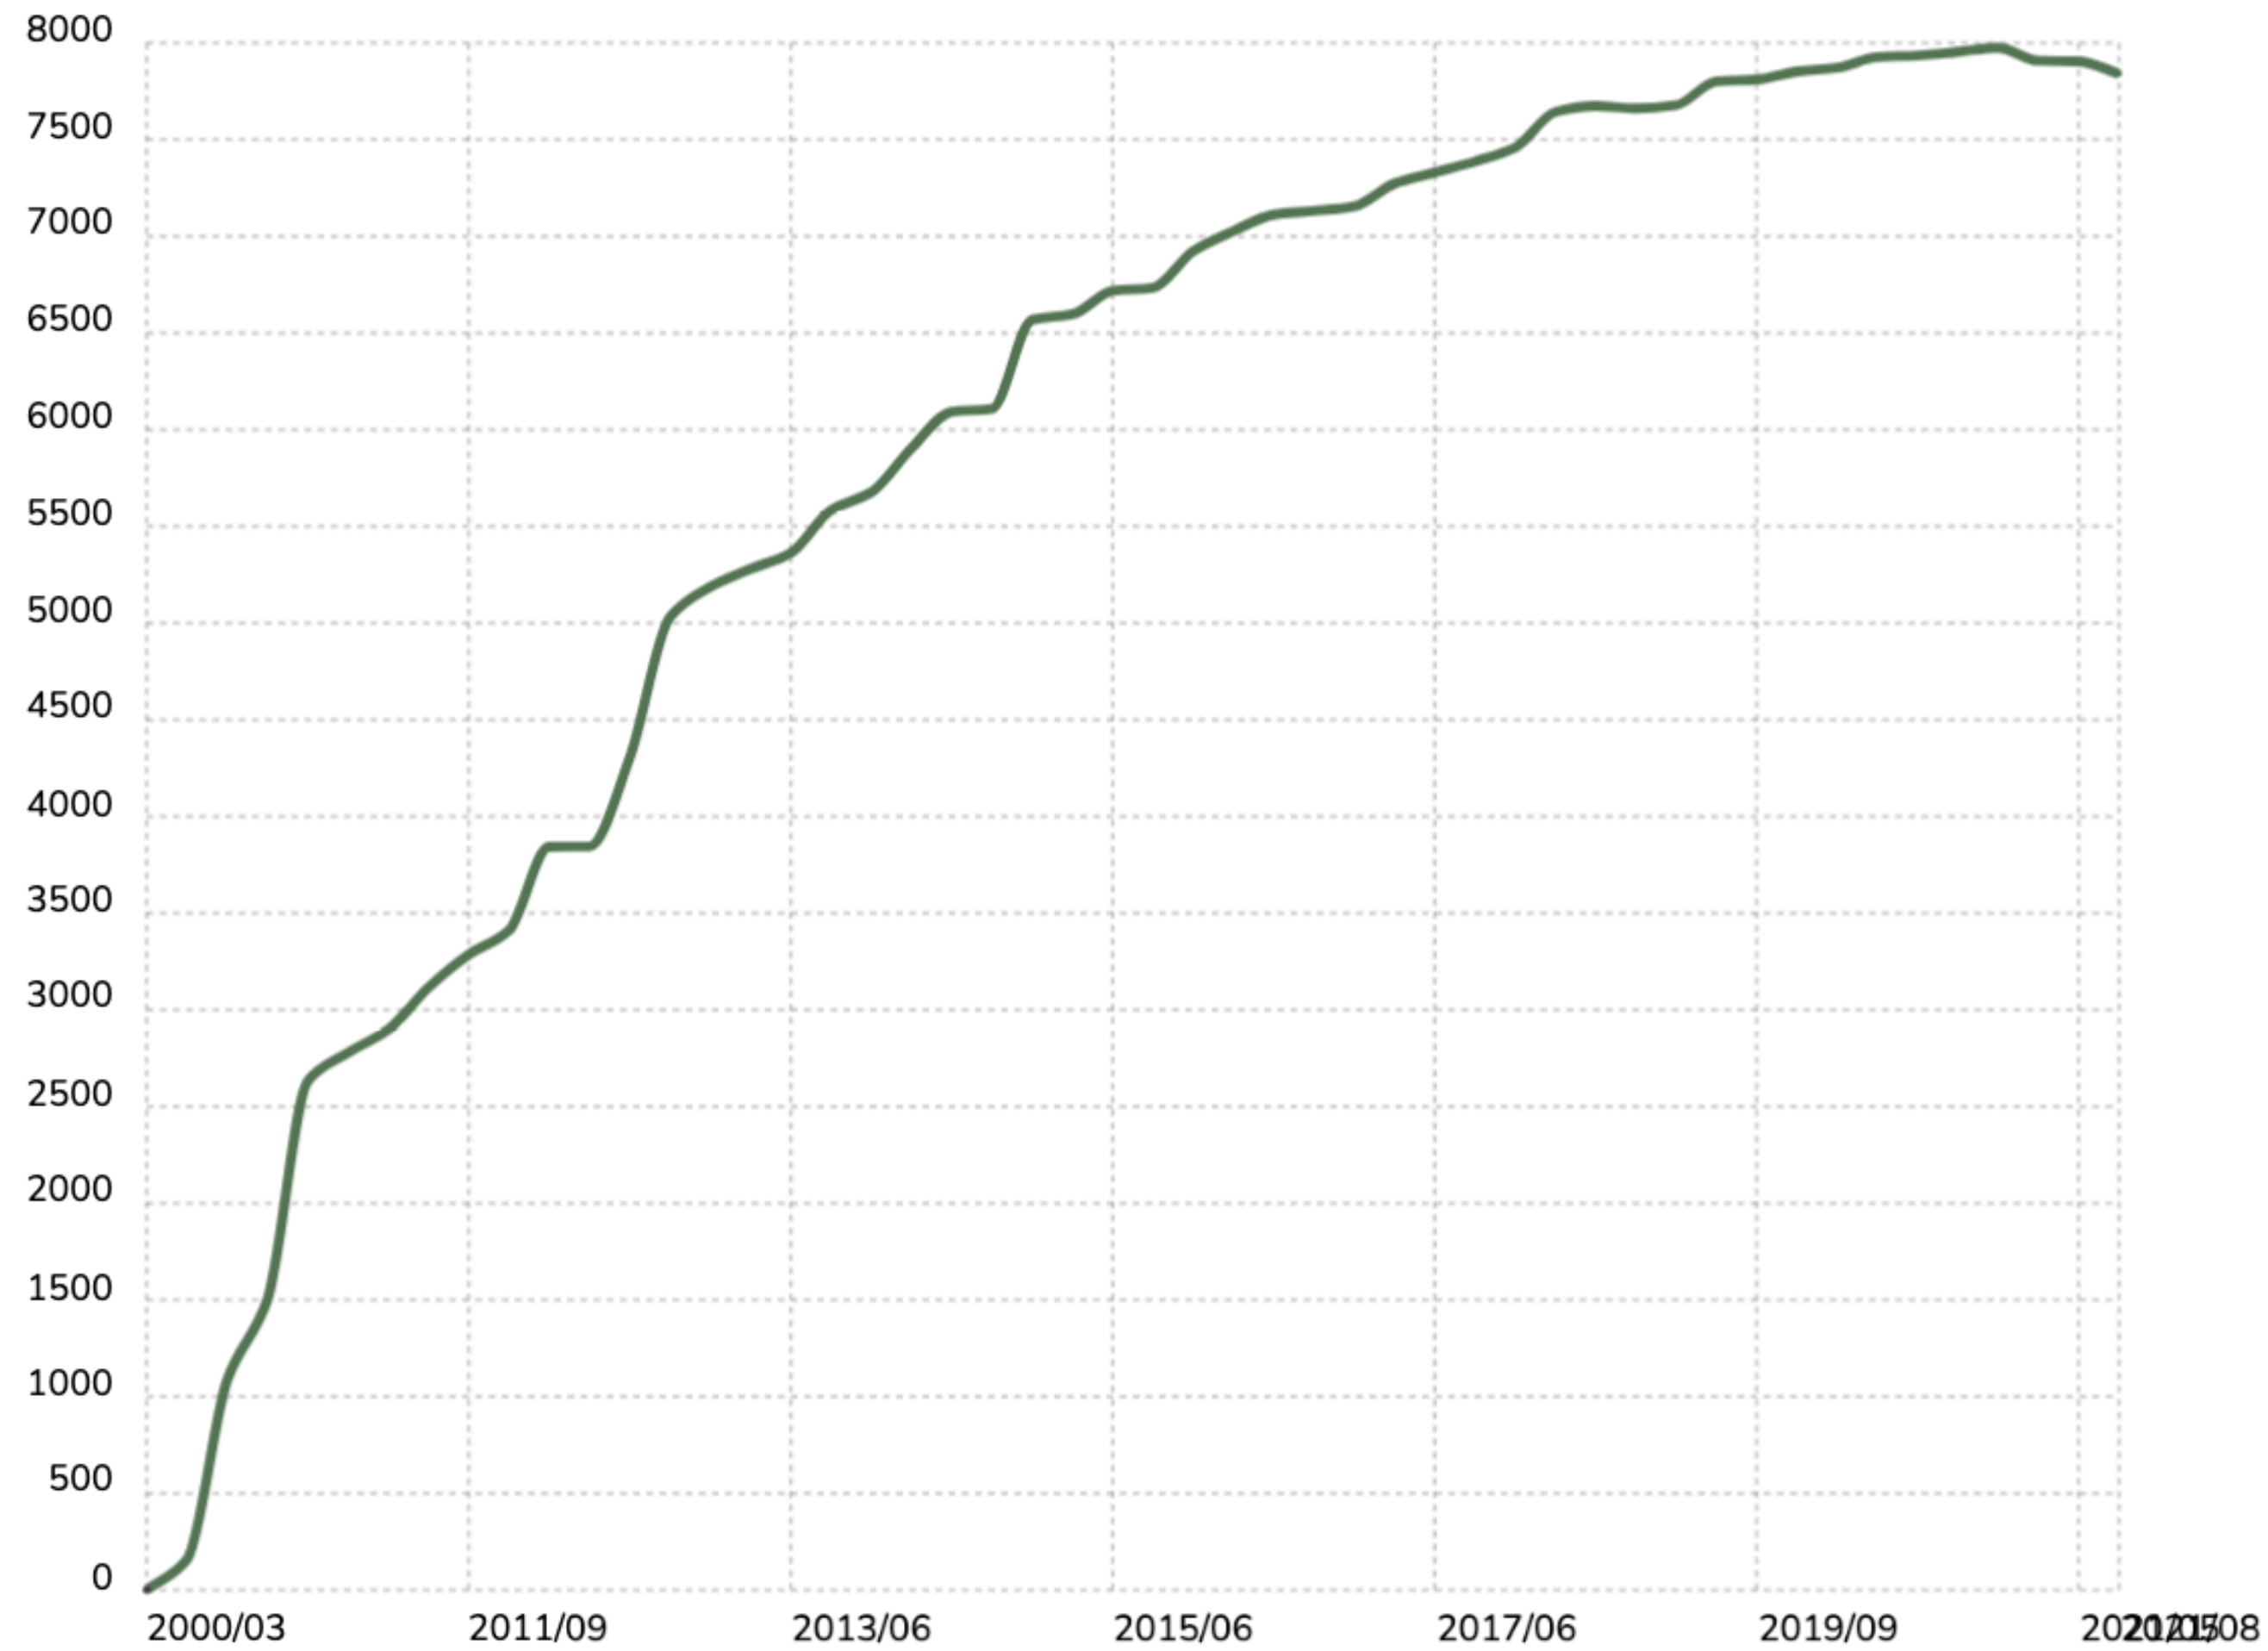

"Why are you using jQuery instead of React?"

"jQuery is way too big to use in production!"

[...] If you are loading a 97k(pre-gzip) library into your page to "select some elements and toggle a class on click", you are probably doing it wrong, and should stop. [...]

https://www.quora.com/How-can-I-stop-using-jQuery

jQuery Usage Statistics

☑ Top 10k ●— ☐ Top 100k ●— ☐ Top 1m ●— ☐ All Internet ●—

https://trends.builtwith.com/javascript/jQuery

jQuery

write less, do more.

```javascript
$('.button').click(function() { $('.container').fadeOut() })
```

Gatekeeping

Gate-keeping

"Real developers use Ubuntu"

"How can you be a designer and not use a Mac?"

"Stop calling HTML a programming language"

Gate-keeping

Gatekeeping can be intentional

Gate-keeping

Agriculture: ~8 000 BCE
Architecture: ~10 000 BCE
Medicine: ~2 000 BCE

Don't gatekeep learning

Don't gatekeep learning

Think about how you would learn today

Don't gatekeep learning

Why don't you just do <u>it</u> like <u>us</u>?

Language

Language

Use inclusive language

Language

Use inclusive language

• Avoid jargons and abbreviations;

A11y = accessibility
ARR = annual recurring revenue
B2B = Business to business

Language

Use inclusive language

- Avoid jargons and abbreviations;

- "Guys" is not gender neutral;

Instead of "guys", use "people", "folk", "everyone" or "y'all".

Instead of "he" or "she", use "they".

Language

Use inclusive language

- Avoid jargons and abbreviations;

- "Guys" is not gender neutral;

- Don't underplay the impact of mental disabilities;

Language

Use inclusive language

- Avoid jargons and abbreviations;

- "Guys" is not gender neutral;

- Don't underplay the impact of mental disabilities;

- Coding is also communication;

Language

Ruby

A dynamic, open source programming language with a focus on simplicity and productivity. It has an elegant syntax that is <u>natural to read and easy to write</u>.

Language

Fluent doesn't mean native

Language
